Morning Round-Up

The morning round-up will start from the camp ground fence each morning at 6:00 a. m. and will include all of the grounds and buildings west of the camp ground fence.

No Return Checks

No pass-out or return checks will be issued for the outside gates.

Camping

A most cordial invitation is extended to everyone to avail themselves of the splendid facilities offered for camping. The grounds used for this purpose are gently rolling, covered with a growth of native timber, well set to bluegrass, electric lighted and provided with city water service, in all making an ideal camping ground. The camp grounds have been platted, the streets numbered and the avenues lettered. A Campers' Headquarters is maintained where all campers are requested to register, and a directory of those located in the camp grounds is kept giving the names and street or avenue on which tent is located.

No charge is made for the use of the camping grounds. Parties may bring their own camping outfits. A limited number of tents and cots will be available at the tent and awning companies.

All campers will be required to occupy the regular camp grounds which are fenced off from the main portion of the grounds. Positively no camping will be permitted west of the camp ground fence or on the Fair Grounds proper.

Regular admission gates have been provided, one on Grand Avenue, one on street leading to camp grounds south of old Poultry Building, and one on street south of the Boys' 4-H Club dormitory.

Campers will be required to pay the regular admission fees when entering the main portion of the grounds through these gates.

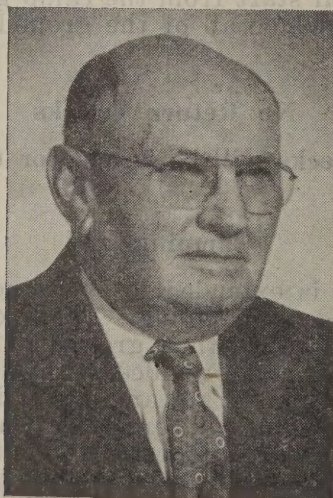

Campers' return checks will be issued by the gatekeepers at the camp grounds entrances to campers who wish to return to their tents for meals or rest during the day. These checks will admit campers to the main part of the fair grounds, at camp ground entrances only on the day issued. Any person attempting to abuse the camp ground return check privilege will be required to pay the regular admission fee, and will subject themselves to expulsion from the camp grounds.

No pass-out or return checks will be issued for the main outside gates. Campers who desire to visit the City during the day may leave the camp grounds through the camp ground exit gate. Pass-out return checks will be issued to campers so they may return through the camp ground exit gate. The road leading to this gate runs south to Dean Avenue from a point east of the Farm Bureau Headquarters.

Trailer Camp

Ample space is provided for a Trailer Camp south of the regular camp grounds. Electrical connections may be made and a nominal charge is made for such connections. A Trailer Camp headquarters is maintained where trailer campers are required to register. No house trailers are allowed outside the trailer camp area.

Pass out checks to the main part of the Fair Grounds will be issued under the same rules as those for campers.

W. J. CAMPBELL, JESUP
President Iowa State Fair and
Superintendent Concession Department

Public Bath House

For the convenience of the campers and house trailer occupants, a modern public bath house with hot and cold running water has been provided. It is located at the intersection of "A" Avenue and Fifth Street, across the street from the Farm Bureau camp headquarters. Competent attendants will be in charge. Soap and towels furnished. A reasonable fee will be charged to cover operating expense.

Bureau of Information

A bureau of information will be maintained by the management at the secretary's office in the administration building.

The Register and Tribune will maintain a bureau of information in the Register and Tribune building on the south side of Grand Avenue between the Varied Industries Building and the Administration Building. Any information pertaining to the city, conditions of roads, etc., will be cheerfully furnished State Fair visitors.

Lost and Found

The Bureau of Information in the Secretary's office will also handle lost and found articles and inquiries.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings.

A room is set aside for daily demonstrations in domestic science. There is also a large auditorium in which programs of interest to women are given daily.

The rest rooms are large, well ventilated and comfortably furnished. The spacious porches offer a resting place for hundreds of people.

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the live stock departments, daily programs, special orders and announcements, official decisions and all other matters of interest to the public will be furnished to the press and radio. Representatives of the press and radio, who may be assigned to or visit the Fair, are cordially invited to make this their headquarters and avail themselves of the facilities offered.

Emergency Hospital

An emergency hospital will be maintained in the southwest corner of the ground floor of the Women and Children's Building. Physicians and nurses will be in charge day and night. Services are rendered by the Polk County Chapter of the American Red Cross and management provides the hospital building and furnishings.

Check Room

A check room in charge of reliable persons is located at the refreshment stand in the Administration Building. Packages and clothing may be checked at a nominal fee.

Post Office

A substation of the Des Moines Post Office will be located on Grand Avenue, northeast of the Agricultural Building. The office will receive and distribute mail, sell stamps, postal cards and money orders.

Express

The express company's office will be found in a booth east of the north entrance to the Stock Pavilion. All express shipments for delivery to the grounds should be marked and charges prepaid to Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office. Free pickup or delivery of L.C.L. shipments to or from any point within the Fairgrounds.

Express shipments will be accepted at the Fairgrounds Railway Express office for forwarding to any destination either by rail or air. Express money orders and travelers cheques may also be cashed or purchased.

Telephones

A complete telephone system is maintained on the grounds by the Northwestern Bell Telephone Company. Connections may be had to any part of the grounds, free; a toll fee of ten cents for down town connections is charged. The central office is located in the southeast corner room of the Educational Building and Grandstand.

Administrative Offices

All the officers and superintendents of the Fair will have offices in the Administration Building.

General

The management will consider it a kindness if persons will report any mistreatment or extortion practiced by any employee of the Fair or concessionaire. They also ask for immediate information regarding the sale of intoxicating liquors.

"STATE FAIR REVUE OF 1956"

The music for this production is by the State Fair Revue Orchestra.

The Iowa State Fair Board is pleased to present to the patrons the "State Fair Revue of 1956." We believe this production will please everyone who enjoys good entertainment. A Barnes-Carruthers production presenting Olsen and Johnson, famous stars of stage and movies; also Homer and Jethro, RCA-Victor recording artists, singing their comic parodies of popular hit songs.

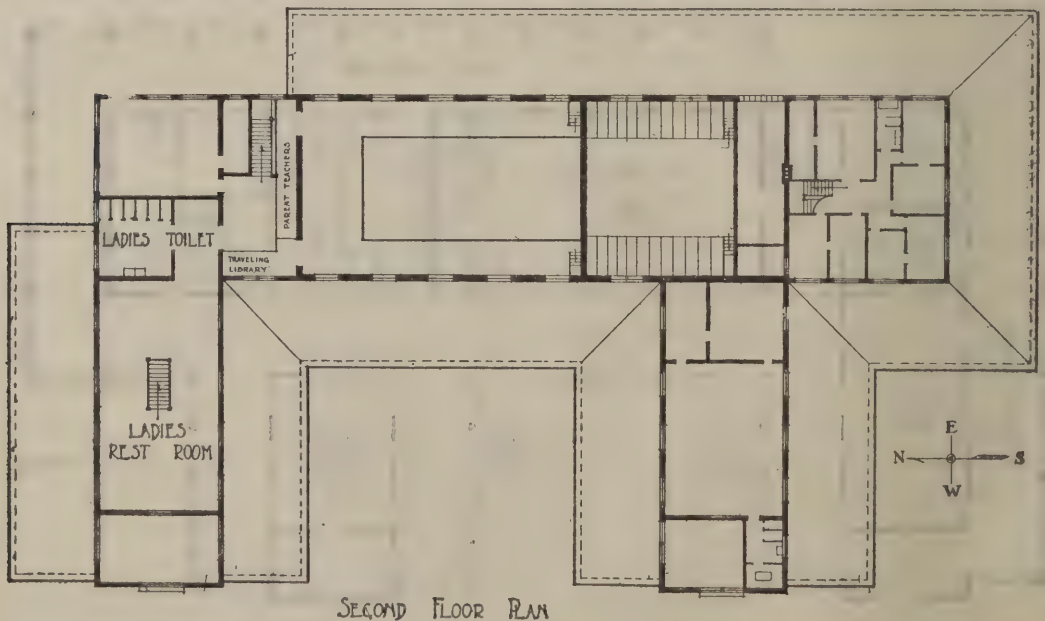

Ensemble Episodes

"DOWN ON THE FARM"—The irresistible good-fun of an old-fashioned hoedown is captured in this lively opening number. Gaily and brightly staged, it features the full dancing ensemble, an expert square dance caller and the lilting tunes of the folks—"Down on the Farm." Midway, the homespun jamboree is interrupted by a truly clever novelty act—TOM AND JERRY. Outlandishly dressed, these acrobatic funnymen spring about the stage on pogo sticks, cleverly concealed within their outsize jeans.

"OVER THE RAINBOW"—Vivid, brilliant, beautiful costuming keynotes this charming sequence, created with the utmost artistry and imagination.

Marta Phillip, soloist for this dance number, is one of the most accomplished, highly acclaimed of professional ballerinas. She exemplifies all the airy, ethereal grace that the term prima ballerina summons up. It truly achieves its purpose in transporting the audience to the fabulous and beautiful land—"Over the Rainbow."

"BEAUTY AND THE BEASTS"—Original in conception, professional in execution, this third production number is a startling departure from

the average dance creation. It follows an exciting French motif from start to finish.

In this unique presentation, the chorines, dressed as leopards, panthers and tigers, are brought on the stage by the boys, acting and attired as wild animal tamers.

The girls, expressing a smouldering defiance, are put through their paces by the "tamers"—they weave and twist to the sensual, exotic rhythms of the background music.

"LAND OF THE MIDNIGHT SUN"—A beautiful finale has been created that embodies a variety of thrilling elements. "Icelandic Fantasy" is an enthralling flight to the most fascinating region on earth—the polar territory at the top of the world.

The girls appear as Eskimo lasses, in abbreviated furred skirts and parkas. The boys are their hunted prey—elusive polar bears.

And as still another bonus feature to this final show episode, **BILL WADE**, one of America's most famous ice skating champions, will be seen in action. Lithe and swift, he will display his mastery on the tricky blades in a number of dizzying gyrations.

Rounding out this superb climatic spectacle will be an actual re-creation on the stage of the glorious "Northern Lights": the Aurora Borealis, the most awe-inspiring of phenomena.

The girls, expressing a smouldering defiance, are put through their paces by the "tamers"—they weave and twist to the sensual, exotic rhythms of the background music.

"LAND OF THE MIDNIGHT SUN"—A beautiful finale has been created that embodies a variety of thrilling elements. "Icelandic Fantasy" is an enthralling flight to the most fascinating region on earth—the polar territory at the top of the world.

The girls appear as Eskimo lasses, in abbreviated furred skirts and parkas. The boys are their hunted prey—elusive polar bears.

And as still another bonus feature to this final show episode, BILL WADE, one of America's most famous ice skating champions, will be seen in action. Lithe and swift, he will display his mastery on the tricky blades in a number of dizzying gyrations.

Rounding out this superb climatic spectacle will be an actual re-creation on the stage of the glorious "Northern Lights": the Aurora Borealis, the most awe-inspiring of phenomenons.

TRANS-WORLD AUTO DAREDEVILS

The Iowa State Fair Board is very fortunate in arranging for the appearance of the Trans-World Auto Daredevils which will comprise the cream of the crop of American stuntmen. Most fairs that have included thrill programs as part of the grandstand show have each year attempted to introduce something new. Fortunately we were able to secure the Trans-World Auto Daredevils and the Cytrix Troupe, which together represent two major thrill shows. The Cytrix Troupe recently made an English movie entitled "The Stuntmen" and have appeared on British television.

Fairgoers may expect the most spectacular thrill show ever presented at this year's Iowa State Fair.

Vaudeville and circus acts will be presented in addition to the "Thrill Day" program.

"STATE FAIR REVUE OF 1956"

The music for this production is by the State Fair Revue Orchestra.

The Iowa State Fair Board is pleased to present to the patrons the "State Fair Revue of 1956." We believe this production will please everyone who enjoys good entertainment. A Barnes-Carruthers production presenting Olsen and Johnson, famous stars of stage and movies; also Homer and Jethro, RCA-Victor recording artists, singing their comic parodies of popular hit songs.

Ensemble Episodes

"DOWN ON THE FARM"—The irresistible good-fun of an old-fashioned hoedown is captured in this lively opening number. Gaily and brightly staged, it features the full dancing ensemble, an expert square dance caller and the lilting tunes of the folks—"Down on the Farm."

Midway, the homespun jamboree is interrupted by a truly clever novelty act—TOM AND JERRY. Outlandishly dressed, these acrobatic funnymen spring about the stage on pogo sticks, cleverly concealed within their outsize jeans.

"OVER THE RAINBOW"—Vivid, brilliant, beautiful costuming keynotes this charming sequence, created with the utmost artistry and imagination.

Marta Phillip, soloist for this dance number, is one of the most accomplished, highly acclaimed of professional ballerinas. She exemplifies all the airy, ethereal grace that the term prima ballerina summons up. It truly achieves its purpose in transporting the audience to the fabulous and beautiful land—"Over the Rainbow."

"BEAUTY AND THE BEASTS"—Original in conception, professional in execution, this third production number is a startling departure from the average dance creation. It follows an exciting French motif from start to finish.

In this unique presentation, the chorines, dressed as leopards, panthers and tigers, are brought on the stage by the boys, acting and attired as wild animal tamers.

The girls, expressing a smouldering defiance, are put through their paces by the "tamers"—they weave and twist to the sensual, exotic rhythms of the background music.

"LAND OF THE MIDNIGHT SUN"—A beautiful finale has been created that embodies a variety of thrilling elements. "Icelandic Fantasy" is an enthralling flight to the most fascinating region on earth—the polar territory at the top of the world.

WALLACES' FARMER *and* **Iowa Homestead**

IOWA'S LEADING FARM NEWSPAPER

extends to state fair visitors a cordial invitation to visit its headquarters in the east end of Varied Industries Building and to visit its large and attractive plant at 19th Street and Grand Avenue

We like to get better acquainted with our farm friends and to confer with them about matters of mutual interest. We like also to meet manufacturers and their representatives on the occasion of their visit to the state fair.

Our headquarters in Varied Industries Building are maintained from 8:00 A.M. to 6:00 P.M. Our plant at 19th Street and Grand Avenue, where nearly 250 people are employed, is open for inspection by visitors from 9:00 A.M. to 4:00 P.M. It is one of the largest and most complete printing establishments in the west, where you can see the largest farm paper printing press in the world. It is a real sight.
